**\*\*\*Verse #1\*\*\***

Wake up sunshine  
Time to get up get up and get mine  
I'm a damn workaholic  
Make it bounce like hydraulics  
Smoke an ounce of my chronic  
And I love a gal that's exotic  
I pour milf on my chocolate yeah  
She does what I like  
Cuz I got pills in my pocket and you'll  
Never see me make a big deal off my profits  
Keep it real and be honest  
Pick your poison I'm still toxic

**\*\*\*Hook #1, 2, & 3\*\*\***

Bitch smell the coffee  
There ain't shit you could ever do to stop me  
Yeah you think you're woke  
Grab a cup let's roll  
I'm on the grind  
Time to get these hoes off me

**\*\*\*Verse #2\*\*\***

I'll hit that pussy like I hit the firmament  
I break glass ceilings that's how I get her wet  
I can spell it out for you but I think it's better said  
Now she's all stimulated cuz I've entered her head  
No time to lay in bed cuz I gotta make that bread  
Got a fucking bucket list I'm gonna kick it till I'm dead  
No rest for the wicked so if I don't pick it no offense  
Now your looking at me like I'm making no sense  
Yet I came with plan B's on deck cuz your  
Bitch said she loves how I gave her neck  
And the sex is best when it's steamy creamy  
Just the way that I like it believe me and  
Now she loves my drip but hoe don't trip  
I ain't about catch no type of feelings so  
Now you see me now you don't  
If you really think you're woke  
Mother fucker keep dreaming
