*****Verse #1*****

Welcome to the harvest
You already know who brings the hardest
Bars with the cleanest beats to
Help you with your hardships
No cheap talk and no bargains
I'm fly like them Martians
And I keep dropping this dope shit
You hoes better buy some Charmin
Cuz if I wanted you
I would use my charms
Don't make me jump the guns
I ain't talking about my arms
Gonna blast you off to the galaxy
Then after land on Mars
You'll be calling Jon Taffer
The way I'm fucking up these bars

*****Hook #1, 2, & 3*****

You could find me at the harvest
Come on let's go
Home is where the heart is
Reaping what I sow
Darkness right before the dawn is
Always what I know
So go back to sleep
Back to sleep

*****Verse #2*****

Bitch I'm here to take what is mine
And I got no time to hit you with a line
And I don't give a fuck about your zodiac sign
And I'm done waiting for all the stars to align
I just need you to swallow me all of me
Especially now that it's Halloween
Speaking of the mother fucking Devil
God damn it look who keeps on calling me
Give a damn if I can't rap and I can't sing
Gonna be eighty on the rap scene
Doing some shows while I'm full of the caffeine
Wearing all these hats and still I'm not capping
Bitch I'm good but thank you for asking
Gonna keep making these tracks that slaps you
Back to the time that you thirsty asses
Began to act all God damn sassy
No I'm not over reacting
They're reaping your souls and laughing
Whether you are the pope or a drag queen
Ya'll think it's a joke keep clapping
If you wanna be awoke quit napping
Till they break in your home kidnapping
Your ass right back to their camp to show you
Exactly what they have all been hiding
