Verse #1

Fuck a relapse
I'm gonna rest and relax
She got me feeling so good
I guess I'm taking three naps
So come bring that sweet ass
I love the way that she laughs
Now she's telling me her husband
Doesn't know what he had
Fuck a nine to five job
This is why we freelance
And I can show all you
Mother fuckers where the weed's at
We're going for a ride
Yeah put that damn seat back
Oh you're dancing with the Devil
Then we'll show you just how we dance

Pre-Hook #1 & 2

No I can never get enough
Every time I'm here with you
I think I found a whole new drug
I'm addicted to you
And I can never get enough
Every time I'm here with you
I think I found a whole new drug
I'm addicted to your love

*****Verse #2*****

My passion's investing
In all these rap sessions
Cuz I have manic depression
These thoughts out of my mouth
This is how I'm expressing them
Through the looking glass
Like I got a new specimen
Yeah she's outta pocket gentleman
Cuz she loves to spend
Now she's acting feminine
Cuz she sees the Benjamins
When I hold her closer
I know that I don't need no medicine
I feel like I'm on a roller coaster
That will never end

*****Verse #3*****

Once again
You know the Knight's back
Ain't no wifing you up
You ain't got it like that
Married to the game
While I'm waiting all in vain
And I feel it in my veins
Man I think I'm on the right track
Cuz I'm back on that gravy train and I might add
Little bit of Gentleman Jack up in your night cap
Fuck the status quo do some
Blow and jump on my lap
We're all mad in this bitch
And yes I'm quite mad

*****Hook #1 (x13)*****

Cuz I'm like a drug
Would you like a taste
Just what you need
Got what you need

Cuz I'm like a drug
